

Dear DeviceAnywhere Users,

This has been a busy month for DeviceAnywhere as we have added over 60 new devices to the device bank and been named to the FierceWireless Fierce 15 list! For details and more exciting DeviceAnywhere news, please read on!

## DeviceAnywhere and Palm Launch the Palm Virtual Developer Lab

The Palm Virtual Developer Lab is now available, with 15 devices across 8 unique Palm Centro and Palm Treo device models! You can add the Palm VDL package to your account by signing into your DeviceAnywhere account, and choosing "Edit Subscriptions".

## DeviceAnywhere in the News!

DeviceAnywhere was named to FierceWireless' Fierce 15 list for 2008! [Click here](#) for the full story.

DeviceAnywhere was also announced as a finalist in the Convergence World Awards in the Mobile Innovations category. The Convergence World Awards are presented by Convergence World magazine, in association with the International Engineering Consortium (IEC). View the [press release!](#)

## Extension of FREE Access to Japanese Packages

DeviceAnywhere is extending our special offer for all 4 Japanese packages for an extra month! Until May 31st, 2008, access to Japanese packages is FREE!

To take advantage of this offer, either go to your My Account page by logging in to DeviceAnywhere.com and sign up for any or all of the Japanese packages, or contact [Sales@DeviceAnywhere.com](mailto:Sales@DeviceAnywhere.com). (Note: package access is free; regular hourly usage rates still apply).

## DeviceAnywhere has a New Look!

DeviceAnywhere has a new logo! We've updated our branding (formerly using both Mobile Complete and DeviceAnywhere) to consolidate under the DeviceAnywhere brand. You can see our new look on our website by visiting <http://www.deviceanywhere.com>.

## Upcoming Events

#### DA Tips and Tricks

You may already be aware of the "Open/Close Flip Phone" command that enables, of course, the opening or closing of a Clamshell-style phone. This same command can also enable:

- ▶ Rotating or flipping a device
- ▶ Sliding a candy bar-style device
- ▶ Changing screens on a dual-screen device

#### Resources

- ▶ We are holding a FREE DeviceAnywhere Training Webinar on Thursday, May 8th at 10AM PDT. [Click here](#) to sign up!
- ▶ The [DeviceAnywhere Forum](#) is available for posting questions and interacting with DeviceAnywhere users.

On May 5th, Hakan Ericson, head of European Business Development for DeviceAnywhere will be speaking at Mobile Monday Berlin. [Click here](#) for details.

DeviceAnywhere will also be attending Mobile Monday Barcelona on May 5th, joining speakers from Forum Nokia, Yahoo!Mobile and Mobile Distillery, to explore the mobile developer's ecosystem. [Click here](#) for more info.

On May 8th, DeviceAnywhere will be at [JavaOne 2008](#), held in San Francisco. Come and check out our latest demonstration in the Sun Microsystems Partner Pavilion!
