

Dear DeviceAnywhere Users,

Thanks to everyone who came by our booth at CTIA, or were able to stop by our DeviceAnywhere Rock Out party. For those of you who were not able to make it, we are extending the special DeviceAnywhere Pro and DeviceAnywhere Monitoring offers we launched at CTIA until October 31st! See below for details on these offers.

In addition, this month we've added over 40 new devices to the Device Bank, including the AT&T Apple 3G iPhone!

For more exciting DeviceAnywhere news, and to see the full list of new and upcoming handsets, please read on!

DeviceAnywhere Pro Special Offer

You're invited to sign up before October 31st to take advantage of our Fall special on DeviceAnywhere Pro. You will receive three months of our world-class test automation solution for only \$250 per month. This offer includes two user licenses, a DeviceAnywhere Pro demonstration, training, and around-the-clock customer support. For more information, contact sales by sending an email to DASales@deviceanywhere.com, or by clicking [here](#).

Monitor Your Content and Applications for \$100 per Month!

Sign up by October 31st for DeviceAnywhere Monitoring and receive three months of DeviceAnywhere Monitoring for only \$100 per month per monitor. This is 75% off of the total value! For more details, contact sales by sending an email to DASales@deviceanywhere.com, or by clicking [here](#).

DeviceAnywhere in the News

DeviceAnywhere is Nominated as Finalist in Mobile Star Awards!

MobileVillage, a free online newsletter, has nominated DeviceAnywhere as a finalist in the "Enterprise Software: Application Testing" category for the Mobile Star Awards. We need your votes to win the title! To vote, go to the [Mobile Star Awards](#) page, and then select Click Here to Vote Now!

DeviceAnywhere Brings the iPhone 3G to Life for Mobile Application Developers Worldwide

September 9th, DeviceAnywhere unveiled the new Apple iPhone 3G as the latest addition to its internet-based service. This addition supports enthusiastic application developers who are busy developing new products for the iPhone platform. Click [here](#) to read our press release!

Playphone and Tapatap Utilize DeviceAnywhere for Mobile Games Development

DeviceAnywhere announces Playphone and Tapatap, two major international mobile games publishers, have chosen DeviceAnywhere to help them test their mobile game applications and decrease time-to-market for the delivery of high-quality mobile content. Click [here](#) to read our press release!

DA Tips and Tricks

Did you know that DeviceAnywhere supports testing your WiFi applications at most of our locations worldwide?

Here's the information you will need to access the local WiFi networks:

Network: deviceanywhere-wifi
Password: deviceanywhere

Resources

▶ Attend our next DeviceAnywhere Training Webinar on Thursday, October 2 at 9AM PDT. [Click here](#) to reserve your seat now!

▶ The [DeviceAnywhere Forum](#) is available for posting questions and interacting with DeviceAnywhere users.

▶ Have ideas about new features you'd like to see in DeviceAnywhere? We want to hear about them! Send an email to features@deviceanywhere.com, and tell us what you think.
