

Dear DeviceAnywhere Users,

DeviceAnywhere had a lot of excitement this last month as we announced three new partnerships, with RIM, 3 UK, and O2 UK. We will be working closely with our new partners to bring the latest and greatest devices to market as early as possible.

For details about our new partnerships, and to see the full list of new and upcoming handsets, please read on. And for those that celebrate it, Happy Halloween!

DeviceAnywhere to Extend World Class Mobile Development Solutions to BlackBerry Developer Community

DeviceAnywhere has partnered with RIM to launch the BlackBerry VDL. Two new packages are available; BlackBerry US and Canada, and BlackBerry EU. In total, these packages cover over 80 handsets, across more than a dozen carriers. To view our press release, click [here](#). You can also view the Wall Street Journal's coverage of the story [here](#).

DeviceAnywhere & O2 UK Partner to Drive Growth in New Wave of Mobile Content and Applications

Oct 21st, DeviceAnywhere announced a partnership with O2, to provide the O2 Virtual Developer Lab. We will be adding a total of 31 new devices to the O2 package, including the hot 3G iPhone and N96. To see our press release, click [here](#).

DeviceAnywhere Partners with 3 UK to Unite Developer Community Through the 3 UK Virtual Developer Lab

Oct 21st, DeviceAnywhere announced a partnership with 3 UK. To see our press release, click [here](#).

As part of this partnership, we are also launching a new 3 UK pre-commercial package that currently includes 7 devices. To request access to the pre-commercial devices, send an email to grantmeaccess@deviceanywhere.com.

DeviceAnywhere in the News

DeviceAnywhere Wins Best Mobile Service Category in Mobile Industry Review 2008 Awards!

The Mobile Industry Review, formerly known as the SMS Text News, recently announced DeviceAnywhere as the winner in the Best Service Award category for the Mobile Industry Review 2008 Awards. To view their web presentation, go to [Mobile Industry Review](#) and fast forward to "Best Mobile Service".

DA Tips and Tricks

Did you know that you can reserve time on a DeviceAnywhere handset? Here's what you need to do to set up a reservation:

1. Go to MyDeviceAnywhere.
2. Click on Reservations.
3. Click on Create Reservation.
4. Enter your reservation details in the dialog box.
5. Click Save.

Resources

- ▶ The next DeviceAnywhere Training Webinar is on Thursday, November 6 at 10AM PST. [Click here](#) to reserve your seat now!
- ▶ The [DeviceAnywhere Forum](#) is available for posting questions and interacting with DeviceAnywhere users.
- ▶ Do you have any new DeviceAnywhere feature ideas? Tell us about them by sending an email to features@deviceanywhere.com!
